

JONATHAN R. PARKER

KEYNOTE SPEAKER | AUTHOR | COACH

I've been leading and speaking professionally for more than 15 years. From delivering keynotes, to conducting workshops and corporate trainings, to presenting at a TEDx event, I have had the privilege of teaching audiences all over the US and abroad.

I'm a certified leadership coach through GiANT Worldwide, and have completed a master coaching program in Predictive Leadership Behaviors from GiANT in London, England.

TESTIMONIALS

"Having been in this business as long as I have, I have had the opportunity to participate in many, many trainings. I want you to know **it was one of the best, if not the very best, that I have attended.**"

"I think **every organization**, regardless of size, **can benefit from your message.**"

"The **content was dead on and you connected so well** with the folks in the room. I was happy to receive many unsolicited positive comments."

WORKING WITH JONATHAN'S TEAM

Jonathan can also bring his dynamic creative team to your project, meaning that you have access to world-class video capture and editing, podcasting, online training creation, graphic design, and more.
